Gifts Profile

In order to reach our Christmas Offering goal in 2018, we are asking 100% of our church to participate. Every financial gift won't be the same, but each financial gift matters. Below is only an example of the number and different kinds of contributions that can be made to reach our goal.

Season greetings:

During this Christmas holiday season, we will be conducting our annual "Christmas Offering." We all know that Jesus is the reason for the season, and Christmas is *the season of giving*. Once again, I am asking our church to make Jesus the priority in their gift giving this year by giving over and above what they normally give to the Church through our Special Christmas Offering.

We have been talking about the BIG vision that God has called us to at Gateway Church which is to break ground on building a new facility on our 15 acres of land in 2020. We are taking some BIG steps of faith in order to reach as many people for Christ as possible. As a reminder, here are some of the BIG plans we hope to accomplish over the next year.

- Have a design picture of our new church.
- Launch a church building campaign.
- Break ground for construction in 2020.

WE NEED YOU!

None of this is possible unless we all come together and give our best to make this happen. Attached is a pledge form you can use to indicate your commitment. Simply complete the form, detach and place in the offering bag when it comes around.

To be honest with you, I hate having to ask for money. But the reality is that none of this is possible without resources. And, I truly believe that God will bless you in a big way when you give to further His kingdom. So, I'm asking you to join with me in making this year's Christmas offering a defining moment in the history of Gateway.

My wife Pat & I have already committed to give above and beyond our regular offering toward this year's "Christmas Offering." That way, Jesus stays FIRST on our Christmas list! Join us. You can donate anytime online at www.gatewaynow.org, and by using our giving kiosk in the café area of the church, or text to give on your mobile device, and our Christmas offering envelope.

You can also mail your Christmas Offering to the Church. All of your contributions to the Church will be reflected on your annual giving statement we send out at the end of the year. You can take the opportunity to fulfill your pledge at any of our services leading up to Sunday December 16, 2018. We are prayerfully hoping to exceed our goal this year of raising \$14,000 to fully fund the cost of the architectural building design for our new church. The design plan is the first step in dreaming the dream. With your help, we will. We are asking everyone to pray and ask God what He would have them give toward the special offering. It's time to think BIG and dream the dream!

If you have any questions about your contribution, feel free to contact the church, and Please know that you and your family are in my prayers during the holiday season.

Faithfully His,

Loyd Johnson
Lead Pastor
